

WHYU

Newport News, Va.

February 11 1948

Mr. S. R. Morss

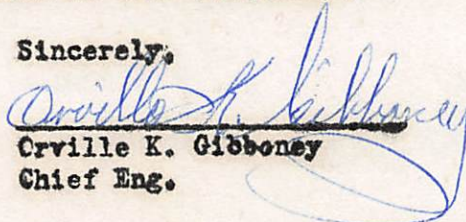

R - 3 Bradford

Mass.

Dear Sir:

I would like to employ this means of verifying your report of the reception of our station's signal on February 8 th - 48 , and also to thank you. It is from reports like your's that a radio station, especially a new one like our's, determines the extent of its coverage. This is quite helpful in ascertaining the likelihood of our signal interfering with another station on this frequency.

Sincerely,

  
Orville K. Gibbonsy  
Orville K. Gibbonsy
