Dear Mr. Morss:

In reply to your letter of October 27th, this is to verify your reception of WLPM on 1450 kcs. during our frequency check transmission October 27th from 1:30 a.m. to 2:25 a.m. E.S.T. Many thanks for the nice report on our signals.

This station has been on the air since March 1940. Our transmitter is a Collins 300F, Collins speech equipment and General Radio Modulation and Frequency Monitors. Microphones and turntables are RCA. We operate with 250 watts power output with unlimited operating hours.

Very truly yours,
