CENTRAL VIRGINIA BROADCASTING CO., INC.

ADDRESS TO: P. O. BOX 730

GRETNA, VIRGINIA

Feb. 8, 58

Dear Mr. Moss,

Sorry to be so late in giving you verification on your D.P. Have checked program log and your report coincides with it. So you may consider this a verification of your report on us of January 18, 1958 from 5:16:30 pm till 5:29 pm.

We are a 1 KW daytime directional station with our major lobe directed north. We are situated about midway between Lynchburg and Danville, Va.

Was very glad to hear from you - Keep the old dial close to 730-

Sincerely,
Charles Linggert
Chief Engineer
