Mr. S. R. Morss
R.F.D. 3
Bradford, Mass.

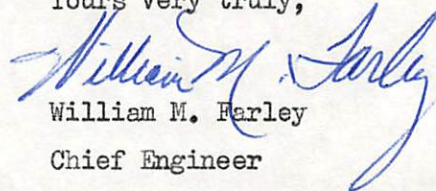

Dear Sir:

This is to verify your reception report of January 7, 1958. Thank you for this report.

It may be of interest to you that we have now increased our power to 1000 watts which should make logging easier for you.

Let us hear from you at any time.

Yours very truly,

William M. Farley

Chief Engineer
