Dear Mr. Morss:

I am in receipt of your correspondence of February 2, 1960.

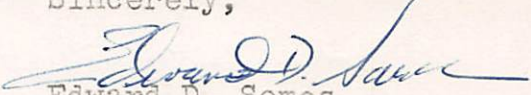

We are pleased to be able to verify your reception of WKVT on February 1, 1960 from 0529 $\frac{1}{2}$ through 05:55.

My wife, Marilyn (Tassinari) Somes was born and raised in Haverhill (Riverside). My folks reside in Newton, N.H. So you see, it gives me even greater pleasure to be able to verify DX reception right in our previous back yard.

WKVT is a full time, 250 watt station. We are a basic affiliate of the CBS radio network and the Yankee Network. Our equipment is a new R.C.A. installation. We went on the air for the first time November 29, 1959.

Thank you for your correspondence. Hope this verification helps your log.

Sincerely,

Edward D. Somes
General Manager
