Dear Mr. Morss:

Thank you for your letter of October 16th stating that you heard our station on October 15th at 6:12:30AM.

After checking your report against the station log for the period mentioned in your letter, I find it correct in every respect. It is a pleasure therefore to verify your reception of WNIX.

For your information, WNIX conducts frequency checks on the last Tuesday of every month from midnight until 12:15AM. Perhaps you will try to log us at that time.

Best of luck in your future DX.

Sincerely,

RADIO STATION WNIX
