Route 3,
Bradford, Mass.

Dear Mr. Morse:

We wish to thank you for your report of our test signals heard in the early morning hours of March 22, 1947. Your report checks accurately with our log and we are happy to verify your reception of our station.

Transmissions during the test period, one to six in the morning, local time, are carried on at irregular intervals, but we are always pleased with reports from distant listeners.

Yours very truly,

H. Charles Kaetel,
Chief Engineer, WAUX
