Mr. S. R. Morss
Route 3
Bradford, Massachusetts

Dear Sir:

On behalf of Bob Mayer and myself, we would like to confirm your report on our little broadcast in the wee hours of the morning of December 11th last year.

Bob found himself with quite a few letters to answer, so I'm pitching in to help him out.

Our radiation to the North and Northeast was quite astonishing to us.

Thanking you again.

Very truly yours,

Edward F. Wille W9PWA
