STATION WHA . UNIVERSITY OF WISCONSIN
RADIO HALL . MADISON 6

S. R. Morss
Route 3
Bradford, Massachusetts.

Dear Mr. Morss:-

Many thanks for your letter reporting reception of WHA with the program "Recorded and Transcribed" along with the over-riding of WAAT.

I note with interest that you heard one of our previous programs and that at that time you asked for a report on what coverage we had. Since January 16th, we have received letters from Texas, Alabama, Kentucky, Kansas, and Ottawa, Canada. This is proving very gratifying to us for our efforts.

We now hope to make this program a somewhat regular feature of the station. We will notify you if this comes about and hope to find you listed among our regular listeners.

Sincere thanks for the interest you have shown in WHA and "Recorded and Transcribed".

Yours for better night programs,

Paul V. Martin
