Mr. Stanwood R. Morss
R. R. #3
Bradford, Massachusetts

Dear Mr. Morss:

This will acknowledge receipt of your correspondence concerning our Equipment Test. We appreciate it very much and hope you realize, at this time, it is practically impossible for the engineer to answer all correspondence in a technical manner that you also would benefit by. We are just laymen on this end, so our sincere thanks from the entire staff of WTRW and the chief engineer.

Very truly yours,

Meredith W. Greene
Program Director
