S. R. Morss:

Thank-you for your report of reception on
March 13, 1955 at 5:35 AM EST.

Please accept my appologies for the delay in sending
a verification as the past few months have been busy ones.
We began operation only last December 27th and of course there
has been additional building and de-bugging right along,
and on top of that air work.

73,

Warren L. Cunningham

Chief Engineer
