Mass.

Dear Sir:

We wish to thank you for your DX inquiry of WHLL. We are pleased to tell you that the reception of WHLL at the times you indicated and the programs mentioned agree 100% with our logs. We are verry happy to know that our signal is getting out so well. We have 1000 Watts 6AM to sunset with 2 element array spaced 60 degrees apart and fed 97 degrees out of phase with compression down to 250 watts on a line N 50 degrees E.

Thank you again for your inquiry, I am

Kenneth H. Forney
