Bradford, Mass.

Dear Sir;

On behalf of our owner and Chief Engineer, William D. Stone, I wish to thank you for your reception report of November 4th at 2:33 a.m. EST.

We are a new station, just now testing our equipment. Upon completion of our tests we expect to be licensed for regular operation toward the end of this month. We will be a daytimer, and plan to program about 60 percent country and western music. With five full-timers and one daytimer within 35 miles of our location, there is no country music on the air daytimes. We plan to change that.

Sincerely,

THEODORE W. WOLFE
Program Director
