We acknowledge with thanks your
communication of

August 31, 1954

and are pleased to learn that our signal
came through in your locality.

Dial 930

EDMONTON

CJCA

REMARKS: Sept. 28/54

We regret the long delay
in answering, but our
Chief Engineer, who likes
to check each report
before a verification is
sent out, was on vacation
when your letter was
received.
