Dear Mr. Nittler,

Please excuse the delay in replying to your letter of October 9th.

I have been in the hospital for two weeks.

I am at a loss to understand why your letter of April 17th was not replied to. Please accept my apologies; I can only plead Post Office problems.

We are indeed pleased that you are receiving our signal and hope you enjoy our programming. I am sending a copy of this to our engineer who will be pleased to learn of this penetration.

We will be celebrating our 1st Anniversary on November 17th and I hope you will be listening at that time. I am also returning your 20¢ as I would not want our pleasure of receiving your letter marred by a financial transaction.

Yours sincerely,
