April 19th, 1955

Dear sir:

Our sincere appreciation for your reception report of April 11th.

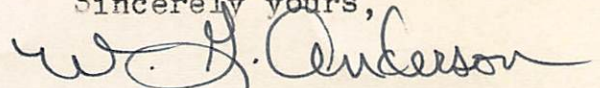

We are always interested in receiving and replying to reception reports, particularly NRC members.

Your report is quite correct and complete. The transmission you received is a regular check heard every 2nd Monday of each month, from 4:10 A.M. to 4:25 A.M., C.S.T.

WGWD is a daytime KW station, one of three stations in Gadsden. Gadsden is an industrial town of some 56,000 population, located Northeast of Birmingham, Alabama.

Lot's of luck to you in your endeavors, I remain

Sincerely yours,

W.G. Anderson,
Chief Engineer

WGA/dr
