Dear Mr. Nettler,

This letter will serve to advise you that we received your letter of verification of reception, dated 11/12/56. We wish to thank you for writing us and telling us of your reception.

You might be interested in knowing that our transmitter is a Western Electric, model number 443-A1. We have been on the air since 1950.

Once again let me thank you for writing us, verifying our reception there in Geneva.

At Present, we have no more scheduled Test program. But thank you for your interest.

SINCERELY,

J Moore C. E.
