Dear Mr. Nittler:

This letter confirms your report of reception of Radio Station KARV, 1490 Khz, September 19, 1977, from 2:13 to 2:17am, CDT.

At the time of your reception KARV was operating under emergency programming conditions. Due to severe thunderstorm activity power had been knocked out in several parts of town and our transmitter was operating with emergency power. A Gates BC-1T Transmitter was used to feed 1,000 watts into our 150 foot tower.

Thank you, for your informative report.

Sincerely,

RADIO STATION KARV
