Mr. Bill Nittler
Box 112
Englewood, Colorado 80110

Dear Mr. Nittler:

Thank you so much for sending us your reception report dated January 23, 1967.

This letter will verify the information contained in your report as being correct.

We are delighted that our signal reached you in Englewood, Colorado, loud and clear. For the special test, we reduced our power from our regular broadcast power of five-thousand watts to one-thousand watts.

Sincerely,

Ray Vandusen,
Chief Engineer
