Englewood, Colorado

Dear Maurice:

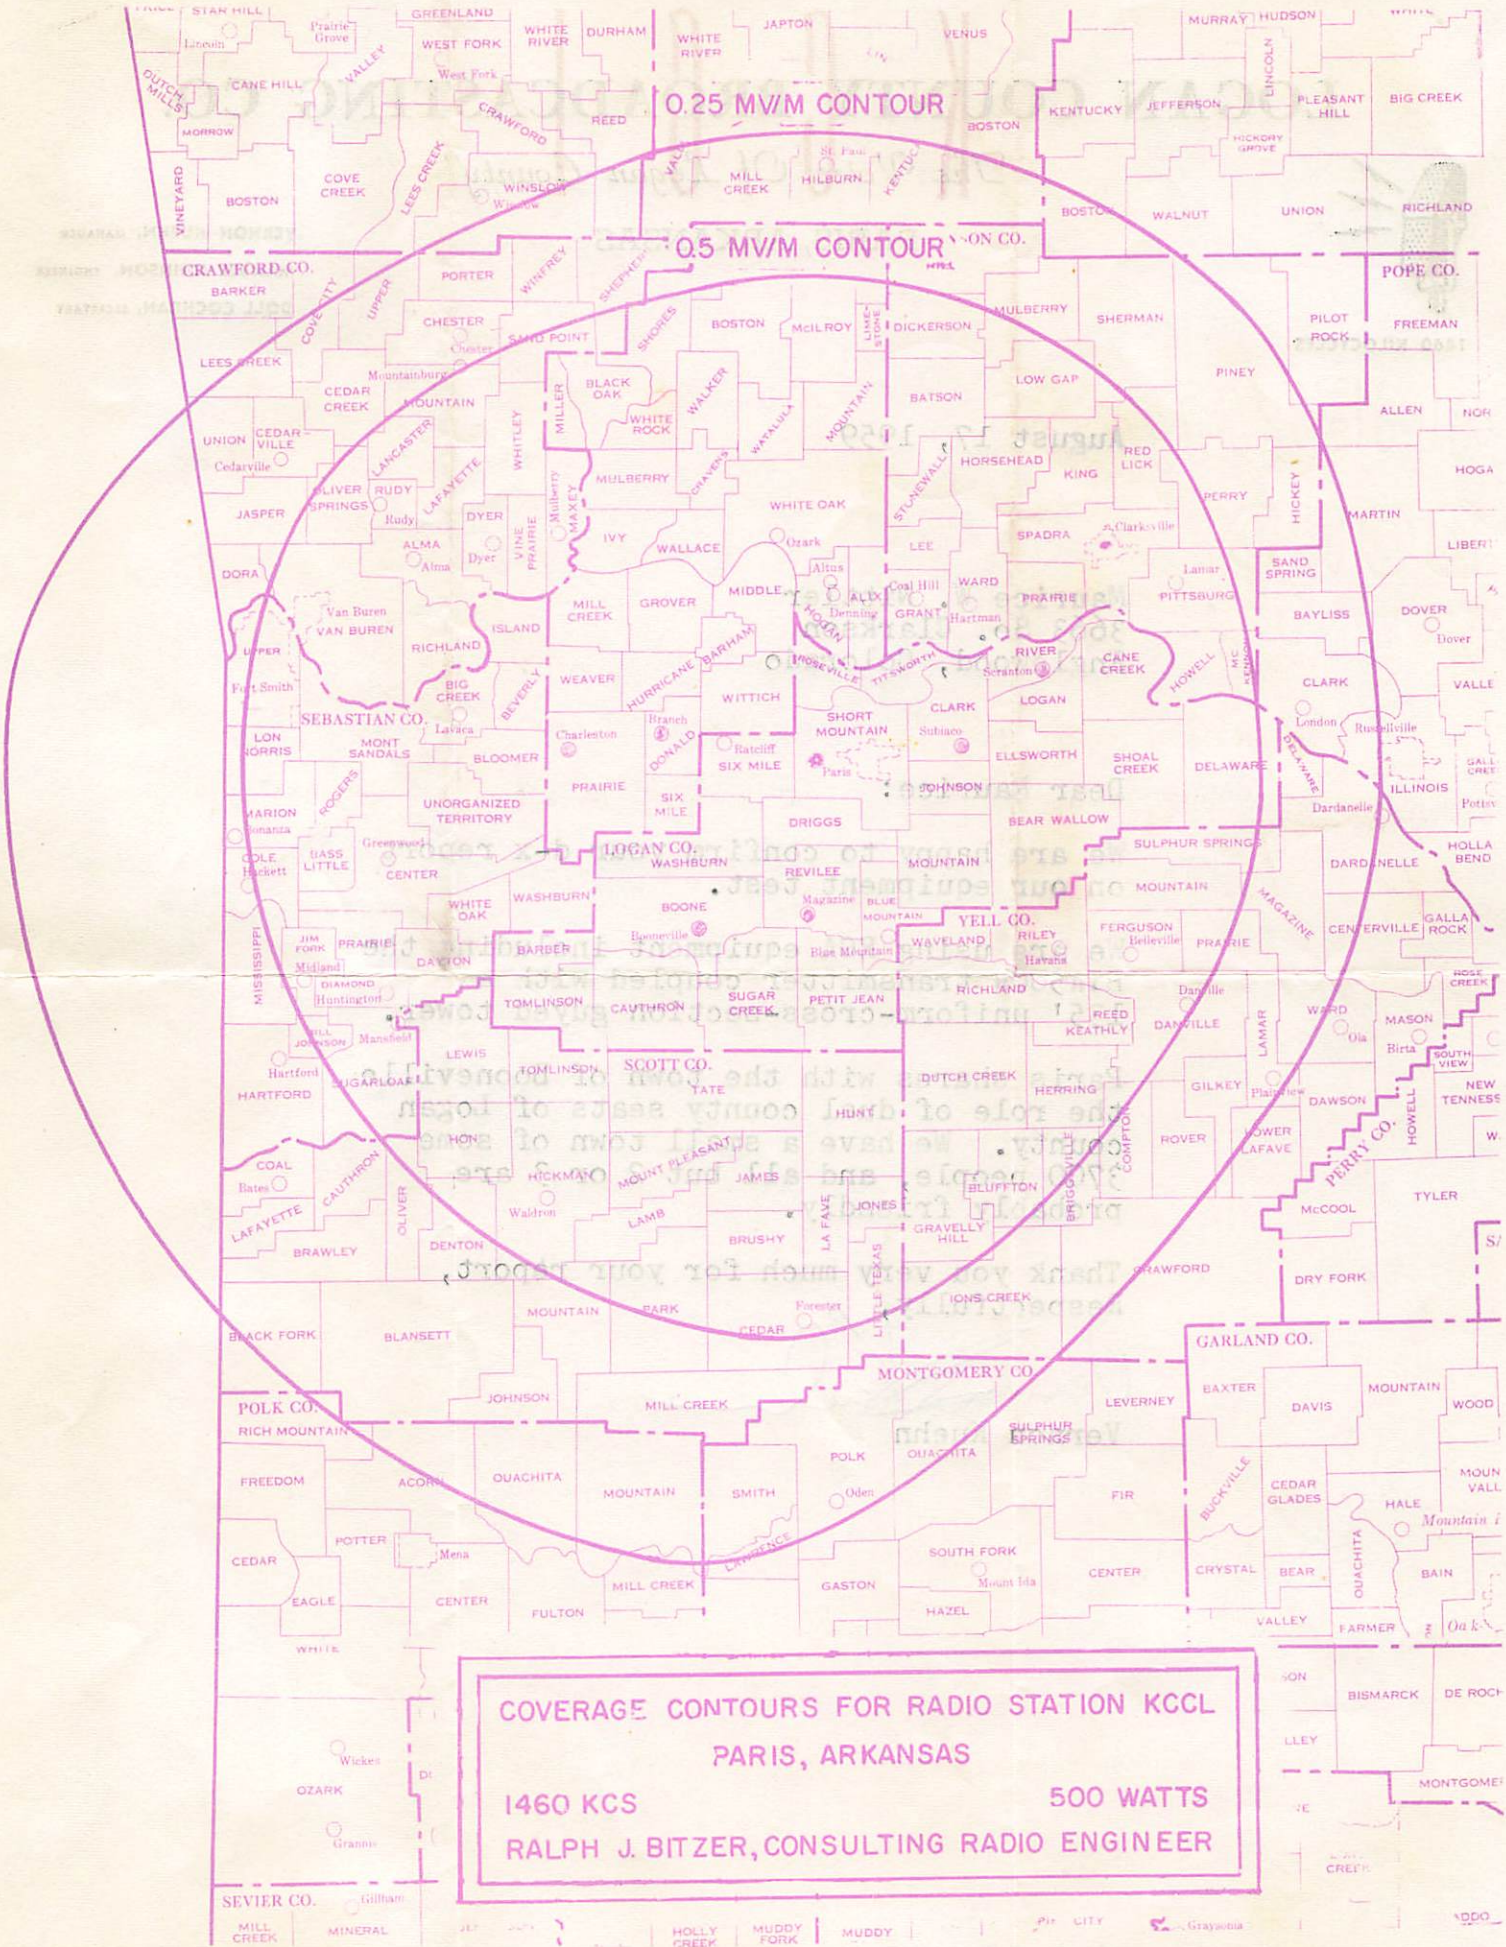

We are happy to confirm your d-x report on our equipment test.

We are using RCA equipment including the BTA500R transmitter coupled with a 135' uniform-cross-section guyed tower.

Paris shares with the town of Booneville the role of dual county seats of Logan county. We have a small town of some 3700 people, and all but 2 or 3 are probably friendly.

Thank you very much for your report,
Respectfully,

Vernon Kuehn
