Dear Maurice:

We received your letter dated September 9th, reporting that KWYN'S signal was very good with occasional fading and background interference from KVFD.

We do appreciate your verifying our signal from the "Cornhusker State". We received a report from a Francis H. Nittler, Denver, Colorado, and are wondering if you are related?

Good luck to you in your hobby and let us hear from you again when you have the time.

Very truly yours,

Onalee Brawner,  
Traffic Manager
