Dear Mr. Nittler:

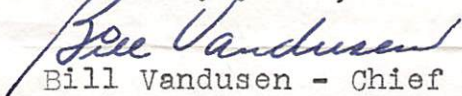

I was very pleased with your report of reception of our station in Englewood, Colorado. The report was correct in every way. You certainly heard KXLR.

I thank you for this excellent report on our station.

I have been to your city several times and think it is a wonderful place with a lot of wonderful people. I would like very much to live there myself.

I hope this letter will verify the reception of KXLR for you.

Sincerely yours,

Bill Vandusen - Chief Engineer
