

NORTH WESTERN ARIZONA'S ONLY STATION

KAAA

P. O. BOX 1208
PHONE BLUE 462

KINGMAN, ARIZONA
(Junction of U. S. Highways 66 & 93)

FEBRUARY 27, 1957

MR. MAURICE W. NITTLER
P.O. BOX 94
GENEVA, NEBRASKA

DEAR MR. NITTLER:

MY TWO BOSSES, WALLY STONE AND JOHN HOLBROOK HAVE ASKED ME TO WRITE YOU THIS VERIFICATION OF YOUR RECEPTION OF KAAA ON THE EARLY MORNING OF JANUARY 14, 1957.

THE BROADCAST WAS CONDUCTED BY WALLY STONE WHO GOT HIS START IN RADIO IN 1928 AT WDGY IN MINNEAPOLIS, MINNESOTA. JOHN HOLBROOK THE OTHER OWNER HAS A SPECTACULAR HISTORY IN RADIO DATING BACK ALMOST AS FAR, AND YOU NO DOUBT HEARD HIS TAPE RECORDED STATION IDENTIFICATION AT THE BEGINNING AND END OF THE BROADCAST. HE IS CURRENTLY HEARD DAILY ON THE DON LEE AND MBS STATIONS CARRYING THE ALKA SELTZER "NEWSPAPER OF THE AIR" FROM KHJ.

OUR RETURNS INDICATE FAIRLY GOOD RECEPTION IN OHIO, WASHINGTON, CALIFORNIA AND OTHER NEARER STATES. THERE WERE MANY REPORTS OF STATIONS ON THE SAME 1230 WAVE LENGTH WHICH CAUSED UNEXPECTED INTERFERENCE. WE HOPE TO DO A SIMILAR BROADCAST AGAIN SOMETIME AND PERHAPS WE'LL HAVE THE AIR TO OURSELVES NEXT TIME.

BY THE WAY, OUR CHAMBER OF COMMERCE HOPES YOU'LL FIND TIME TO VISIT THIS AREA WHEN YOU HAVE THE OPPORTUNITY. IT'S NOTED FOR GOOD FISHING AND THERE'S LOTS OF GOOD HUNTING FOR ROCK HOUNDS IN THIS MINERAL RICH COUNTY.

BEST WISHES,

A handwritten signature in cursive script that reads "Bernard Wilson".

BERNARD WILSON
CHIEF ENGINEER
