Mr. Bill Nittler  
Englewood, Colorado 80110  
Box 112

Apr. 3, 1970

Dear Mr. Nittler:

Sorry I have been so long in answering your letter...

I put it in the drawer and forgot about it, and was  
looking for something and ran across it today.

Please excuse the stationery, as we are now fresh out  
of regular letterheads, and I wanted to get this off while  
I had the time.

This is to confirm your reception of KCUZ, at the time  
you specified. We went on the air in July of 1969, and  
was pleased to hear that you were able to pick us up there  
in Englewood, Colorado.

Clifton-Morenci are two communities that are situated  
in the mountains, and the sole industry here is open pit  
copper mining...one of the largest in the <sup>NATION</sup> state. . 60 Secs.

We have about 15,000 people here.

If you are ever in the area, be sure and look us up.

Best Regards,

*Frank C. Hancock*
