Dear Maurice,

So glad to receive your letter telling us of our station transmitting as far as Denver. You are right about the programming that was going on at that time. The D J was not Wayne Raney, however, he is going by the name of Don Ray and I imagine the two could be mistaken over the air so far away.

Thanks so much for taking the time to write and let us know.....As you may know it improves our sales when we can show our customers how far we are transmitting.

Hope you stay tuned in on Monday morning to us were mighty proud to have you in our audience.

Sincerely,

Melvin G. West Manager
