BILL NITTLER  
603 W. FIRST  
McCOOK, NE. 69001

Mr. Nittler,

Here is the verification that you requested concerning the reception of our station. The Program details that you outlined in your request were correct. I apologize that this letter is so delayed, however our radio station has changed general managers and owners recently and everything was in a topsy-turvy way. I hope that this will be sufficient for your needs. Continued good luck in your hobby.

Sincerely,

A handwritten signature in black ink, appearing to read 'Steve Sapp', written in a cursive style.

Steve Sapp  
Program Director.
