Dear Mr. Nittler,

As we do not at this time have formal verification cards, please accept this as confirmation that upon comparing your report with our program log I find that you did hear our broadcast on Sept. 30, 1963, from 12:12 AM to 12:28 AM, MST.

Our 250 Country and Western Watts are doing very well to be heard in your section of the country. Thank you for the information regarding our signal strength.

Enclosed please find one of our K-HOS automobile window decals.

Sincerely,

John P. Crawford,
Chief Engineer.
