DEAR BILL,

THANKS FOR YOUR LETTER AND SORRY FOR THE DELAY. WE DO GET BUSY HERE BUT NOT THAT BUSY! IN OUR DEFENSE NO ONE CAN RECALL RECIEVING YOUR FIRST LETTER BUT THAT'S NOT REALLY IMPORTANT. YOU APPARENTLY PICKED UP OUR MONTHLY FREQUENCY CHECK JANUARY 4TH AND IT'S SURPRIZING THAT OUR SIGNAL WAS PICKED UP ALL THE WAY IN MANCOS, COLORADO. WE ARE A DAYTIME ONLY 2500 WATT STATION OPERATING ALONGSIDE THE COLORADO RIVER IN THE RESORT CITY OF PARKER. WE'RE LOCATED ABOUT 35 MILES NORTH OF BLYTHE, CALIFORNIA AND ABOUT 30 MILES SOUTH OF LAKE HAVASU CITY RIGHT ON THE ARIZONA/CALIFORNIA BORDER. OUR SIGNAL IS A DIRECTIONAL ONE (SEE DIAGRAM) AND IS PRIMARILY AIMED NORTH AND SOUTH IN PARKER. WE PLAY THE ADULT CONTEMPORARY FORMAT WITH A 20% COUNTRY CROSSOVER BLEND. PLEASE ACCEPT THIS LETTER AS VERIFICATION FOR YOUR RECEPTION AND GOOD LUCK IN YOUR HOBBY. AND PLEASE, IF YOU FIND YOURSELF IN PARKER--GIVE US A VISIT.

RESPECTFULLY,

MARK ROBERTS
