Dear Bill Nittler:

I am returning your letter from Tucson, Arizona in reference to "RADIO STATION KQTL, SAHUARITA, ARIZONA".

We are a spanish radio station: "RADIO QUE TAL 1210 AM ON YOUR RADIO DIAL."

It must be very interesting to intercept and hear different radio stations around the world.

I am, personally, the "woman's voice" that you heard and I was very excited to know I was heard in Colorado. Please, if you have a moment, send me a postcard from where I was heard.

I have one question: Is this an expensive hobby?

Congratulations!! You do very well in your hobby. Keep up your good work.

Thank you for your time.
