Mr. Maurice W. Nittler  
Box 94  
Geneva, Nebraska

Dear Mr. Nittler:

Thank you for your report concerning reception of Radio Station KRIZ.

Checking logs indicates you were receiving station KRIZ during a frequency test period during the times indicated in your report, from 2:30 to 2:45 CST, August 23, 1954.

KRIZ is a 250 watt full-time independent station. All equipment is General Electric.

Thank you for the report, and best DX.
