Dear Bill:

I'm dropping you this note to verify the fact that you did indeed hear KTIM, "The Music Of Your Life" on 1250 AM. We also broadcast in FM Stereo on 105.3.

I'm amazed that you were able to pick us up but glad that you did. Thanks so much for writing. We always appreciate hearing from our listeners, no matter how remote they may be.

Sincerely,

A handwritten signature in black ink that reads 'Suzy Lochridge' with a stylized flourish at the end.
