Bill Nittler
Box 112
Englewood, Color. 80110

Dear Bill:

We are pleased to hear that you were able to pick us up on the 24th of November, and the programming you describe is exactly as it happened.

We consider this quite a feat since we are only 1000 Watts.

Thank you for writing to us, and good luck...

Very truly yours,

Shirley M. Larmore
