Dear Bill,

Very sorry our first confirmation letter went astray. Here's another to reaffirm your reception of K X A M.

Your reception report of 18, April - 1990 is accurate as logged. The program you heard, the songs you logged and the announcer's spoken words are correct at the times you've indicated.

You have an impressive log of stations heard on the A.M. band. I'm curious to know what kind of antenna you have and what type of radio you use besides your auto receiver. Have you ever considered HAM radio and DX-ing throughout the world? It is a fascinating hobby...I know, I have been active since I was 13 years old!

Again, very sorry our first confirmation letter went astray. Thanks again for your time, and thanks for listening in!!!

Sincerely,
