Dear Mr. Nittler,

We have received your letter and appreciate you taking the time to write to us. We are very excited to hear that our signal is traveling as far as Colorado and even more excited to hear that you are enjoying the station.

KYET has been on the air since Monday, August 17th of this year and the station seems to be coming along very well. We have been receiving great feedback from listeners such as you and we've been adding new programs nearly everyday in hopes you will be just as thrilled with them.

Thank you for your time in contacting us, as we are very interested in knowing how far our signal is being heard. I hope you continue to listen to KYET and I hope its bringing you great enjoyment.

Sincerely,

Mary Ribant
KYET Program Director
