Kynd Friend Maurice:

Thank you for your kyndness in reporting your reception of KYND on October 28, 1960, and it is a pleasure to confirm your report.

It has been quite a few years since we have visited Colorado, so we can't say that we remember Englewood, though we were in Denver; however, Englewood sounds like a lovely city that anyone would enjoy visiting.

Tempe is part of the Greater Phoenix area and is the home of Arizona State University.

Again, thanks for writing, and with every KYND wish!
