Dear Mr. Nittler,

This letter is to verify that you received C-ISL 650 on
October 6, 1984.

It is always interesting to hear from people who are able
to pick up our signal out of our regular listening area.
We certainly appreciate your letter.

Hope you are able to visit British Columbia again and are
able to see the West Coast - you'll enjoy it!

Yours truly,

Arnie Celsie,
Programming Director
