Dear Mr. Nittler;

We received your letter yesterday regarding the verification that you requested of the reception of this radio station. Just for an up to date information for your records, we are now called Cariboo Radio 840 instead of using the call letters CKBX.

We find it really quite amazing that you are able to receive us as far away as you are in the States. We thank you for sending us a letter and trust that you will be able to listen to us again.

Yours sincerely,

Joyce Crutchley,

Reception/Traffic.
