

The New AM!

CASTLEGAR

October 25, 1985

Bill Nittle
Box 824
Mancos, CO 81328

Dear Bill:

Thank you for taking time to write to us. It was us that you heard.

We have just gone 20,000 watts at 760 KHz. Our local signal is very good. The fact that we got to you is indeed impressive. If you do get us again, call us COLLECT and we'll talk to you ON AIR!

Regards,

A handwritten signature in black ink, appearing to be 'B. Pritchard', written over a horizontal line.
