DIAL 960

April 12, 1961

Mr. Maurice W. Nittler
3663 South Clarkson
Englewood, Colorado

Dear Mr. Nittler:

KABL Music is pleased to verify your report of reception April 3, 1961 beginning at 2:33 AM PST.

It may be of interest to you that KABL Music received authorization and began using the present call letters on May 11, 1959. In conjunction with the change in call letters, there was a rejuvenation of programming, resulting in "GOOD MUSIC" for an ever-increasing audience, which we are glad includes you.

Our transmitter is a one-kilowatt Collins Model 20T, operating into a single tower non-directional antenna. The transmitter site is on a small island at the west (Oakland) end of the Bay Bridge. The studios are located in central Oakland at 464 - 19th Street and are functioning 24 hours each day.

If in the future you are visiting Oakland, feel welcome to view the studio facilities that comprise KABL Music, THE MEASURE OF QUALITY MUSIC.

Sincerely,

Howard Immekus
Chief Engineer
