

KCOY 1440 on your DIAL • THE BIG STATION

P. O. BOX 166
WALNUT 5-2644
SANTA MARIA, CALIFORNIA

Maurice W. Nittler
3663 So. Clarkson
Englewood, Colorado

Dear Maurice;

This is verification of reception of KCOY as per your report dated February 15, 1960. Glad that you were able to pick us up.

In all the KCOY-dx netted 40 reports from 19 States, and one Canadian province. That being Nova Scotia. Considering the fact that WGCB covered our program pretty much after 1:00, that we were surprized to find so many reports from the east. Reception for you must have been a snap.

KCOY, on the night of the DX was operating with non-directional pattern from a Transmitter tower 200' high; using lkw Collins Xmitter, Raytheon control board, Presto TTs, Magnecord taperecorders, and Electro-Voice microphone.

Sorry to be so late with this confermation, but if turned out to be an advantage to you--This is brand new stationery, and you and 5 others are the only ones to recive letters on the new stationery off the DX special.

Thanks again for the report and the best of DX in the future.

Sincerely;

Peter Putnam Bretz
