

Maurice W. Nittler
2818 South Cherokee
Englewood, Colorado

3 March 59

Dear Mr. Nittler

Thank you for your signal report of this station
on the date of 20 Feb 59 at 11:52 PM PST.

Our transmitter is a Gates BC-1F with a power out-
put of 1,000 watts. , on 910 kcs.

The antenna system is a three tower phased array on
a line bearing 26 degrees true. The towers are 255
feet in height and spaced 270 feet apart. Copper
radials buried beneath each tower make up the ground
system.

Studios are located at 3911 Pacific Highway, San
Diego 1, California. Our transmitter is in El Cajon.

Yours very truly,

DANDY BROADCASTING, INC.
