Dear Maurice,

This is a verification of your reception of our DX test program from KDES at 1:00 to 2:00 A.M. on January 27, 1958.

We had a lot of fun putting the program on the air, and we hope you enjoyed it.

Power used was 500 watts. KDES now has a permit for 1,000 watts.

Thank you for your fine reception report.

Sincerely,

*Frank Day*
