Dear Mr. Nittler:

We are pleased to confirm your report of reception of our station on April 9, 1961.

KGB has recently completed installation of a new transmitter and antenna system and upped our daytime power to 5000 watts. We are happy to know that the system is getting out so well.

KGB is the oldest station in San Diego. It started broadcasting here in 1922.

We thank you very much for the report and hope that we may hear from you again.

Very truly yours,

C. N. Duncan
