Dear Bill

I am very pleased to confirm your reception of radio station KGED, Fresno CA on April 11, 2008 at 7:59 AM, Pacific Daylight Time. KGED operates on 1680 kHz with 10,000 watts day and 1,000 watts night non directional.

Thanks for your report. I just received the letterhead in todays mail and I am now in the process of answering several reports.

Wishing you the very best, I am.

73,

Patrick Martin
KGED Reception Manager
