Re: Station Monitor Letter

Date: March 1st 2000

Dear Bill,

Thanks for the letter a few weeks back. It's nice to know that Colorado is listening. My name is Tom Scott – Operations Manager and Morning Show Personality. I really enjoyed your letter and hope to hear that you're still listening to us in the future...so keep in touch. Our station number is (909) 483-1500 ext.206 and the studio request line is (909) 483-1510. So, if there's something I can play for you...let me know? (Smiles)

Well my friend...you take care of yourself...and keep listening to the Inland Empires' Best Country....The All New 1510 KIK AM!

P.S.- Tell your friends about us....we love to make people happy with Great Country... and YOU can help! Thanks again.

Sincerely,

Tom Scott – Operations Manager/ Morning Show Drive 6a-10a
