Dear Bill,

Consider this letter a QSL confirmation regarding your reception of KKLQ-AM on November 23, 1987.

It is not often I get a letter from Colorado.

I would like to give you a little history of Q-106. The station was purchased last December by Edens' Broadcasting out of Phoenix, Arizona and the call letters at that time were KLZZ. In March of this year we changed format and call letters to KKLQ AM-FM. In less than 9-months the new format has brought us from being near last in the ratings to the top of the heap. Also during this time we moved into new facilities. It has been a very exciting year in terms of growth and progress.

If you are ever in the area please feel free to stop by and chat.
