Dear Mr. Nittler,

This will confirm your reception report of 3/24/00 1806-1821PST. Interesting to note that you picked the signal up after our nighttime power shift to 500W non-directional from our daytime power of 1kW (non-d.).

I believe I recognize your name from several years back when you received the station under the old calls of KROP (changed 3 years ago).

We don't have a lot for ESPN1300 (formerly sloganed as "SportsCenter 1300") but here's one of our old bumper stickers for your collection.

Sincerely,

Clif Glasgow, CBT
