February 14, 1967

Mr. Bill Nittler
Post Office Box 112
Englewood, Colorado 80110

Dear Bill

This will confirm your report of reception of KMF B during our DX test of January 9, 1967. Yours is one of the more complete and detailed reports received and there can be no question of your successful reception.

My thanks for the return envelope, it makes the answering easier.

Sincerely

Robert Garner
Chief Engineer
