Mr. Bill Nittler
P. O. Box 112
Englewood, Colorado 80110

Dear Mr. Nittler:

We are pleased to confirm your reception of Station KMLQ on Saturday, January 4, 1969.

KMLQ operates on 1000 kHz with 1000 watts power, employing a two-element directional antenna system. You may be interested in seeing the enclosed copy of the KMLQ coverage map.

Thank you for your interest in our station.

Sincerely,

KMLQ
