Reference to reception KMPG Nov 19 1991
KMPG operates with 5.000 w all Spanish. Hollister
is south of Jan Jose. You heard our sign on.

The Port Hueneme station is also on 1520 KC
and at that time operated with 50 kw they cut back
to 10 Kw. They are aprox 280 mi south of us.

Many thanks.

Yours truly

H Scott Killgore President
